# Freight Forwarding

## Sea Freight

Sensitive freight, unique dimensions, remote locations-we've got you covered!  
We specialize in handling ODC shipments.

## Air Freight

Cargosol's partnership with global airline giants, assure you competitive rates, transit time, fixed allocations and life capacity of carriers in every major trade lane.

## Our USP

- Customized solutions
- Global & Domestic Network
- Flexible schedules
- Real-time updates
- Safe handling of hazardous / perishables / general cargo
- Sensitive freight - Dry / Liquid / Bulk / Perishables
- Complete Documentation service
- Custom Clearance & Brokerage
- In-house trading division

Our entire business is structured for maximum responsiveness to your freight needs.

# NVOCC Division

- Division started in 2011.
- Our own fleet of containers & special equipment.
- All our containers are IICL / ISO certified.

## Network Coverage

- Indian Subcontinent
- Middle East
- China
- Upper Gulf
- Far East
- South East Asia
- CIS Destinations
- Africa

We specialize in handling ODC shipments. We have slot arrangements with feeder operator as well as main line operators.

Choose Cargosol Logistics as your integrated solution service provider for all your business requirements.

**Cargosol has its own & leased fleet of special equipment viz. Open Top & Flat Track (Collapsible).**

# Contract Logistics - Warehouse

## Incepted in 2020

Cargosol Logistics Warehouse, located in Dahisar Mori, Kalyan. The 15,000 sq. Ft completely operational warehouse, offers comprehensive warehousing solutions, supported by trained manpower and excellent managerial services.

- End to end surveillance
- Safe material handling (Standard & Non-standard cargo, ODC Shipments, Perishables, Volatile goods)
- Agile Model
- Customized storage solutions
- Flexible space and transportation
- Strong connectivity
- Epoxy Flooring with 16 tons per Sq. ft. load capacity

# Transportation

## Incepted in 2012

- With our own fleet of commercial vehicles, we offer speedy and reliable delivery of goods.
- By rail, barge, or road, our flexible inland transportation services cover both FCL (full container load) & LCL (less than container load)
- Clearly defined transit time, security to budget reliably & smooth tracking of transition.

# Project - Break Bulk & Custom Clearance

We excel in handling project cargo that calls for special care, attention and expertise, whether it is cargo shipped as Break Bulk (BB), Heavy Lift (HL) or Out of Gauge (OOG). Choose Cargosol Logistics as your preferred partner to execute all your projects from its inception to completion.

We understand the intricacies of rules and regulations, as well as the unwarranted challenges that bombard global businesses. We use this knowledge to tailor individual solutions that can help you make well-informed decisions, reduce lead time, optimise cash flow and keep taxes to a minimum.

Escape legal wrangles and havoc, and choose our custom clearance professionals for seamless shipments.
