

Dheeraj Gharat

CAPTURED IN ACTION!

It was yet, just another ordinary day. A day to show up at work and contribute your best. Dhiraj Gharat, has been working at Cargosol Logistics Pvt. Ltd for nearly 8 years as an Operations Executive.

At ICTPL, he found himself in the midst of a chaotic traffic. Voilà!! Emerging from this chaos was what caught Dhiraj's attention. It was a container, bearing the name of his 'Second Home' - Cargosol Logistics Pvt. Ltd.

He instantly chose to capture that moment. Dhiraj's heart swelled with pride as he witnessed the Cargosol logo in action. He felt a sense of belongingness and oneness with Cargosol, a close-knit tribe.

Every opportunity that Dhiraj encounters Cargosol containers at CFS or the yard, he cannot help, but click a selfie to capture that moment. As Tim Walker says "You capture only what you Love".

This is the Cargosolite way of life, a sense of pride in associating oneself with an ever-growing loyal family.
